

We need you!

The museum has a long history of providing education and enrichment to the community. The museum is recovering from the financial situations many non-profits are facing since Covid-19. Significant increases in the minimum wage and fluctuations in funding as well as increased utility payments and the costs of maintaining the stewardship of the Museum have a continuing impact on our budget.

The Maturango Museum is a non-profit organization not funded by any city, county, state or federal monies. The museum relies on people like you. This has been true since the inception of the Maturango Museum in 1962. Our history shows what people can do when the community works together with enthusiastic volunteers. With your support, we can continue to be an important educational and cultural asset for our community.
You can make it happen!

We are accepting donations of all kinds for the auction!

Big or small, every donation helps! Smaller items (like gift cards) can be combined with other items to create a unique auction item. We make some pretty fantastic gift baskets!

Your donation is tax deductible!

Deadline for donations (so we can prepare the auction catalog) is Friday, **September 15**.

If you would like to join in the fun and attend the auction and dinner, we would enjoy your company!

Tickets are \$60 per person and \$100 for 2 people. They are available in the museum gift shop or online at maturango.org

- Maturango docents presented programs to over two thousand adults and children throughout the year with special events and the popular 2nd Saturday!
- Guests came to visit our museum and most patronized other Ridgecrest businesses and services.
- Field trips were available for members and visitors.
- Eight different art shows were displayed in our galleries and the Museum sponsored the Open Studio Tour for local artists.
- The Museum hosted the popular and informational Wildflower Exhibit.
- We provide free information and helpful tips to travelers heading to Death Valley, and other local and regional attractions.
